HAITI: Antoine IZMERY
Senatus NOSTHER
Fritzner NOSTHER

Amnesty International has been informed that Antoine Izmary, a supporter of President Aristide, who was arrested on 15 October, is being held at the Pénitencier National (National Penitentiary). He has been permitted to receive food and clothing at the prison. Amnesty International believes that Antoine Izmary is being held solely for his association with ousted President Aristide and calls for his release as a prisoner of conscience.

Amnesty International remains concerned for the safety of Senatus and Fritzner Noster, who are being held at the Caserne de Thiotte (Thiotte military barracks), Jacmel, South-east Department.

FURTHER RECOMMENDED ACTION: Telegrams/airmail letters and telephone calls:

- asking for information on the legal situation of Antoine Izmary and calling for his immediate release as a prisoner of conscience;
- asking that he be treated humanely in detention.
