Further Information on UA 199/08 (ASA 21/011/2008, 10 July 2008) – Imminent Execution

INDONESIA **Tubagus Maulana Yusuf (m)**
Rio Alek Bulu (m)
Nyonya Sumiarsih (f)
Sugeng (m), her son

Rio Alek Bulu was executed by firing squad on Friday 8 August. He was convicted in 2001 of murdering four people and whilst awaiting execution was convicted of killing a fellow inmate. His request for clemency was rejected by the President in 2004, and the Indonesian Supreme Court turned down his final appeal for a case review in April this year.

The three others mentioned in the Urgent Action were executed on the 18 and 19 of July (see UA 199/08; ASA 21/015/2008).

This execution brings the total number of people executed since executions resumed on 26 June to 7. At least 107 prisoners in Indonesia are awaiting execution.

No further action is requested from the UA network. Many thanks to all who sent appeals.
