**Bablu Rai (m), aged 34**

---

Bablu Rai is now receiving regular and adequate medical treatment at a local hospital for injuries caused by torture.

He was reportedly transferred from the Banke District Police Station to the Banke District Prison on 3 June, where he is believed to be no longer at risk of torture.

Amnesty International is continuing to monitor his situation.

**No further action is requested from the UA network. Many thanks to all who sent appeals.**
