**Title:** *Equatorial Guinea: Rapid medical letter writing action: Death of a detainee and lack of adequate medical care*

**Abstract:** *Amnesty International expresses its concern about the death of Martin Puye, whose death in custody is reportedly the result of ill-treatment and lack of adequate medical care. This brief document gives sections and groups recommendations to express their concern about the death of Martin Puye and the fate of other prisoners who might suffer bad prison conditions and lack of adequate medical treatment. It also urges the authorities to investigate the death of Martin Puye and to ensure that prison conditions are in accordance with international standards.*

**Title:** Amnesty International Report 1998

**Abstract:** This report documents the concerns of Amnesty International (AI) in 141 countries during the period January to December 1997. In addition to country entries, there are chapters covering AI worldwide campaigns, techniques and work with international organizations. Among the appendices are a list of AI visits in 1997, articles 1 and 2 of the AI statute, a list of Section addresses, a list of members of AI's International Executive Committee, an update on the abolition of the death penalty, the state of selected international and regional human rights treaties and some selected statistics on Amnesty International.
