INTERNATIONAL

Thulani Maseko was a loving father and husband who dedicated his life to the people of Eswatini, a country ruled by a wealthy absolute monarchy and where approximately 60% of the population live under the poverty line. Openly critical of the country's use of repressive laws and state violence, on 21 January 2023 Thulani was shot dead in front of his wife. To date no one has been held accountable.

Demand justice for Thulani Maseko.
