PERU Edwin BENITES GONZALES

Amnesty International has just learned that Edwin Benites Gonzales was released on 5 June 1999.

Edwin Benites Gonzales is a former military conscript who was detained at an army base on 1 February 1999, although there was no warrant for his arrest, apparently in connection to a charge of stealing a firearm on which he had previously been acquitted.

Many thanks to all who sent appeals. No further action is needed by the Urgent Action Network.
