

TIME FOR A BULLET-PROOF ARMS TRADE TREATY

AMNESTY
INTERNATIONAL

Dear

The irresponsible and poorly regulated global trade in arms is fuelling serious human rights abuses, armed violence, poverty and conflict around the world.

Millions of people are killed, injured, raped, repressed and forced to flee their homes every year as a result. Health, education and other services are being denied and livelihoods destroyed.

The world needs an effective Arms Trade Treaty that prevents arms transfers when they are likely to contribute directly to serious human rights abuses or poverty. The Treaty must cover all conventional arms including ammunition.

I urge you and all UN member states to secure an Arms Trade Treaty that prevents arms from fuelling such atrocities and abuses, and protects lives and livelihoods.

Yours sincerely,
