USA (Texas) Maurice ANDREWS

Maurice Andrews, scheduled to be executed in Texas on 9 March 1995, received a stay of execution three hours before the execution was due to take place.

The stay was given by the Federal District Court in order to allow further hearings to take place on the issue of one of the jurors at the original trial being related by marriage to the homicide victim.

Thank you to all those who sent appeals on Maurice Andrews' behalf. No further action is required by the network.
