Further information on UA 336/91 (AMR 36/11/91, 11 October 1991) - Fear of "Disappearance"/Extrajudicial Execution

HAITI:Camille CÉSAR, aged 52  
Camille BAZILE

---

Following the arrest by members of the armed forces of Camille César and Camille Bazile, in Port-au-Prince in the early days of the coup d'Etat between 30 September and 2 October, Amnesty International has learned that their bodies were discovered at the morgue in Port-au-Prince. The bodies were bullet-riddled.

Amnesty International is concerned that both men, who were members of Front National pour le Changement et la Démocratie (FNCD), National Front for Change and Democracy, the political party which backed the candidacy of President Jean-Bertrand Aristide, may have been extrajudicially executed.

**FURTHER RECOMMENDED ACTION: Telegrams/telexes/faxes/telephone calls/airmail letters:**

- expressing concern at the apparent extrajudicial executions of Camille César and Camille Bazile;
- asking that a full and impartial investigation be carried out into their killings and that the results be made public;
- urging that those found to be responsible be brought to justice.
