HAITI:Manno CHARLEMAGNE

---

Amnesty International has received information that Manno Charlemagne has been released.

He was originally arrested on 11 October without warrant and released by order of the Tribunal Civil, after the Tribunal had declared his arrest illegal. He was then rearrested, again reportedly without warrant, on 18 October. On this occasion according to eye-witness testimony, he was forced into a vehicle by soldiers dressed in civilian clothes and taken to an unknown destination.

No further action is necessary. Thank you to all those who sent appeals on Manno Charlemagne's behalf.
