Forced evictions may affect 200,000 people.

Together we can bring about a real change in people’s lives.

Write a letter, send an SMS message or take action online and join thousands of activists in demanding that the rights of these individuals and communities are upheld.

Make a difference

What you can do

Join hundreds of thousands of people around the world who will be sending letters and SMS messages, signing petitions and taking action online.

- Go to www.amnesty.org for your nearest Amnesty International office and find out about letter writing events in your country
- Take action online: go to www.amnesty.org/en/individuals-at-risk

This is what happened last year:
690,000 appeals and messages to governments and companies were raised around the world

International support to individuals worldwide.

Support to individuals around the world

Thanks to the attention the world’s governments have given to your appeals and messages, they have found it comforting to know that people around the world are concerned about your situation. They also feel supported by the international spotlight on your case.
