Amnesty International reports & statements

See the following: <http://web.amnesty.org/news/engindex>

Human Rights

Gaza Strip. A disabled man in his 70s died when Israeli troops demolished a building where he was living in the Gaza Strip, 2 July, http://news.bbc.co.uk/2/hi/middle_east/3885725.stm

Gaza Strip. The Israeli military's destruction of a Palestinian media office in Gaza City had no justification under international law, said Human Rights Watch, 2 July <http://www.hrw.org/english/docs/2004/07/01/isrlpa8991.htm>

Israel. Israeli soldier killed and 33 other people were injured when a bomb exploded at a bus stop in Tel Aviv, Haaretz.com, 12 July, <http://www.haaretzdaily.com/hasen/spages/450203.html>

Genocide

Rwanda. The Rwandan government should reject a parliamentary request to dissolve one of the country's leading human rights groups unfairly accused by a parliamentary commission of harboring genocidal ideas, Human Rights Watch said 2 July <http://hrw.org/english/docs/2004/07/02/rwanda8996.htm>

UN. The Secretary-General of the United Nations, Kofi Annan, has announced the appointment of the first special UN advisor on the prevention of genocide. Juan Mendez (59) is an Argentinian human rights lawyer and one-time political prisoner under the military regime that ruled his native country in the 1970s. Radio Netherlands, 13 July, <http://www.rnw.nl/hotspots/html/un040713.html>

Death penalty

Iraq. The death penalty, suspended by US occupation authorities, has been reinstated. World News, 6 July, <http://www.namibian.com.na/2004/July/world/044FE629C6.html>

HIV/AIDS

Asia. Thirty-eight million people around the world are now living with HIV, reports UNAids, BBC 6 July, <http://news.bbc.co.uk/1/hi/health/3867401.stm>

Swaziland. A high-powered delegation of Anglican bishops from five nations completed a two-day fact finding tour of Swaziland, examining issues such as constitutional reform and the high HIV/AIDS rate. allAfrica.com, 14 July, <http://allafrica.com/stories/200407121197.html>

UN: Action against HIV/AIDS that does not confront gender inequality is doomed to failure, according to a new report by the Joint United Nations Programme on HIV/AIDS, the United Nations Development Fund for Women and the United Nations Population Fund, <http://www.news-medical.net/?id=3316>

News from XV International AIDS Conference, (IAC) Bangkok, 11-16 July 2004, Thailand:

The target of the World Health Organization to give Aids drugs to three million people in the developing world by the end of 2005 will not be met, warns Professor Joep Lange, co-chair of the UNAIDS conference in Bangkok, BBC 9 July, <http://news.bbc.co.uk/1/hi/health/3879899.stm>

A Pandemic Within the Pandemic. Speech on HIV & women by Stephen Lewis, UN Special Envoy for AIDS in Africa, allAfrica.com, 12 July, <http://allafrica.com/stories/200407120001.html>

IAC calls for scaling up access to life-prolonging medicine for those infected and raises a key question: Are patents preventing drugs from reaching millions of needy? AP, 13 July, <http://asia.news.yahoo.com/040713/ap/d83pl3p02.html>

For more news and information from the IAC, see: <http://www.hdnet.org/home2.htm>

Mental health

Australia. Human Rights Commissioner believes there has been a clear breach of human rights if stories about mental health services in south-west Western Australia are true. ABC South West WA, 6 July <http://abc.net.au/southwestwa/news/200407/s1147508.htm>

Organ trade

Afghanistan: President Hamid Karzai has issued a decree ordering the death penalty for criminals who remove body parts from kidnapped children, Reuters 4 July 2004, <http://news.ft.com/servlet/ContentServer?pagename=FT.com/WireFeed/WireFeed&c=WireFeed&cid=1088083221871>

Prisoners

China. The doctor who exposed the under-reporting of cases of severe acute respiratory syndrome (SARS) in China is in custody and is being subjected to "study sessions," in which he is being pressured to bring his views into line with those of the government. *BMJ* 2004;329:130 17 July

<http://bmj.bmjournals.com/cgi/content/full/329/7458/130-c>

Tunisia. Dozens of political prisoners are being held in inhumane conditions of solitary confinement, Human Rights Watch said in a report, 7 July
<http://hrw.org/english/docs/2004/07/07/tunisi9000.htm>

Right to health

Belgium. Under Belgian law anyone living in Belgium has the right to health care, even if they are in the country illegally. *Expatica*. 4 July,

http://www.expatica.com/source/site_article.asp?subchannel_id=48&story_id=9496

Peru. As the United States and Peru negotiate a trade pact, the United Nations Special Rapporteur on the Right to Health urged them to ensure any agreement includes public health safeguards so that essential drugs do not become unaffordable for millions of Peruvians. *UN Press Release*, 5 July,

<http://www.unhcr.ch/hurricane/hurricane.nsf/view01/35C240E546171AC1C1256EC800308A37>

UK. Two doctors have admitted carrying out circumcisions on two baby boys without the parents' written consent, the General Medical Council has heard. *BBC* 12 July,
<http://news.bbc.co.uk/1/hi/scotland/3887503.stm>

Reproductive health

New reproductive health website: Cervical Barrier Advancement Society (CBAS):
www.cervicalbarriers.org

Torture

Egypt. Egyptian officials harassed a clinic for victims of torture and threatened it with closure because of its work to document and rehabilitate victims of abuse, a doctor at the clinic said, *Reuters* 14 July,
<http://www.reuters.com/newsArticle.jhtml?type=worldNews&storyID=5666768>

Iran. The director of a prison in southern Iran has been dismissed after an inmate was hung from the ceiling for hours and had to have his hands amputated as a result. *The Australian*, 5 July,
http://www.theaustralian.news.com.au/common/story_page/0,5744,10050639%255E1702,00.html

Kashmir. Thousands of people have protested in Handwara, a town in Indian-administered Kashmir, against the alleged police torture of a schoolgirl. A doctor told the Associated Press news agency that Hussaina was suffering from lash wounds, broken bones and damaged tendons and muscles. *BBC* 9 July

http://news.bbc.co.uk/1/hi/world/south_asia/3880797.stm

Kenya. A doctor yesterday recounted to the High Court how he was harassed by the Government for disclosing that police had tortured a suspect to death. *allAfrica.com*, 13 July,

<http://allafrica.com/stories/200407121604.html>

Pakistan. Lahore City Police Chief Tariq Saleem Dogar has directed all police officers to ensure that complaints about illegal confinement and torture in police stations are investigated and redressed. Daily Times, 15 July,

http://www.dailytimes.com.pk/default.asp?page=story_14-7-2004_pg7_21

Saudi Arabia. Foreign workers face torture, forced confessions and unfair trials when they are accused of crimes, Human Rights Watch said, 15 July,
<http://www.hrw.org/english/docs/2004/07/15/saudia9061.htm>

Violence against women and women's rights

Africa. Africa's male rulers are accused of ignoring a year-old commitment to end inequalities, condemning women to violence, ignorance and disease. allafrica.com, 6 July,
<http://allafrica.com/stories/200407060907.html>

Moldova. Ruthless sex traders are exploiting tens of thousands of young women from Moldova who are desperately seeking a better life outside Europe's poorest country, reports the BBC (10 July).
http://news.bbc.co.uk/2/hi/programmes/from_our_own_correspondent/3878503.stm

Uganda. Ten female circumcision (female genital mutilation) surgeons in Kapchorwa district resolve to abandon the practice, allafrica.com, 14 July
<http://allafrica.com/stories/200407140046.html>
