MEDICAL AND PSYCHOSOCIAL SERVICES FOR VICTIMS OF HUMAN RIGHTS VIOLATIONS

This document gives address and contact details for some 120 services working with victims of political or other forms of organized violence in 37 countries. It replaces earlier circulars (see ACT 75/01/94, January 1994, ACT 75/02/95, July 1995).

Entries are listed for the following countries and territories: Argentina, Australia, Austria, Belgium, Bulgaria, Canada, Chile, Colombia, Croatia, Denmark, Ecuador, Egypt, Finland, France, Germany, Greece, Mexico, Namibia, Nepal, Netherlands, New Zealand, Norway, Pakistan, Palestinian Authority, Paraguay, Philippines, Russia, Slovenia, South Africa, Sri Lanka, Sweden, Switzerland, Turkey, United Kingdom, Uruguay, USA and Zimbabwe.

It should be stressed that in addition to these particular services many refugees and other victims of human rights violations are seen by doctors and other health professionals via the general health and social service systems operating in different countries.

The list does not include details of those who wished not to be listed or who did not respond to requests for information.

We would welcome receiving details of other trauma services as well as corrections to the present list.
