BURUNDI **Stany Mbazumutima (m), human rights defender**

Stany Mbazumutima is no longer suffering any intimidation by the police, according to an email he has sent to the International Secretariat.

A senior police officer had allegedly made three threatening phone calls to him in early April, after he wrote about Rwandan military spies operating in a refugee camp for people who have fled Rwanda, in the north of Burundi.

No further action is requested from the UA network. Many thanks to all who sent appeals.*****
