Dear Hon Gonese,

The creation of a new constitution presents a golden opportunity for Zimbabwe to join the worldwide movement of countries that have abolished the death penalty. That movement is gathering pace in Africa. Of the 53 states in the African Union (AU), 49 did not carry out any executions during 2008 and 2009.

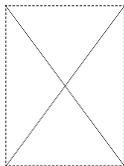

The African Commission on Human and Peoples' Rights has repeatedly called on AU member states to abolish the death penalty. The United Nations General Assembly has also adopted resolutions calling for a moratorium on executions, with a view to abolishing the death penalty.

I am urging you in your capacity as Legal Secretary for the Movement for Democratic Change (T) to play a leading role to persuade your party and the Zimbabwean people to abolish the death penalty in law.

Yours sincerely,
