Amnesty International has learned that Charles Shamukiga, human rights activist, is dead. He was reported to have been taken away by members of the Presidential Guard on 7 April, and is now believed to have been killed on that day. He worked with the *Association des volontaires de la paix, (AVP)*, Association of Peace Volunteers.

Due to the rapidly changing situation in Rwanda, and the resulting difficulties in communicating appeals to the interim Rwandese authorities, no further action is required at present from the Urgent Action Network. Thank you to all who sent appeals.
