Further information on 405/97 (AFR 47/45/97, 22 December 1997) and follow-up (AFR 47/01/97, 6 January 1998; AFR 47/02/98, 14 January 1998) -
Fear of ill-treatment / Medical concern

RWANDAPhilomène Mukabarali

Amnesty International has learnt that Philomène Mukabarali was released from Kigali Central Prison on 30 April or 1 May 1998. However, she is still seriously ill and in need of specialized medical treatment.

No further action by the Urgent Action Network is required at present. Many thanks to all those who sent appeals.
