COLOMBIA: "Dumar"

---

Amnesty International has received information on the case of "Dumar", an alleged guerrilla leader who was captured by the Colombian armed forces at the beginning of July 1993 in Rio Viejo, Bolivar department. Amnesty International has learnt that "Dumar" has been officially charged and is being detained under the jurisdiction of the regional attorney's office in Barranquilla in north-west Colombia. He has received visits from his lawyer who feels there is no longer any immediate concern for his physical safety.

Thank you to all those who sent appeals on his behalf. No further action is required by the Urgent Action Network.
