USA (Missouri)Roosevelt POLLARD

Appeals may now stop on behalf of Roosevelt Pollard, who was to have been executed in Missouri on 11 January 1995. A stay of execution was then granted just hours before he was due to be executed.

The US Supreme Court has now sent Roosevelt Pollard's case back to the Federal District Court for review. The main issue to be considered in the case is whether or not Roosevelt Pollard is competent to be executed. He is therefore not in danger of being executed in the near future.

Thank you to everyone who sent appeals on Roosevelt Pollard's behalf.
