USA (Montana) Duncan MCKENZIE

Amnesty International very much regrets that Duncan McKenzie was executed as scheduled in Montana on 10 May 1995.

Governor Marc Racicot met with Duncan McKenzie on the afternoon of 9 May but refused to grant a stay of execution.

Thank you to everyone who sent appeals on Duncan McKenzie's behalf. Letters expressing regret at Duncan McKenzie's execution and at the resumption of executions in Montana after a period of over 50 years may be sent to the authorities in the original EXTRA.
