Gary GRAHAM

---

Oral arguments concerning whether the Texas Board of Pardons and Paroles should hold a hearing into Gary Graham's innocence claim were heard on 29 September 1993 before a 3 judge panel of the 3rd Court of Appeals in Texas. According to press reports a decision is expected within the next four months, and Graham's attorney expects any ruling to be appealed to the Texas Court of Criminal Appeals. Gary Graham is therefore out of any imminent danger of execution.

Thank you to everyone who sent appeals on Gary Graham's behalf. No further action is necessary at this present time. We will keep the network informed of any developments in the case.
