USA (TEXAS) James M BRIDDLE

---

Amnesty International very much regrets that James M Briddle was executed as scheduled in Texas on 12 December 1995. The organization is appalled at the high number of executions now taking place in Texas. Briddle was the fourth inmate to be executed in the state during the last seven days and the 19th in 1995.

Thank you to all those who sent appeals on James Briddle's behalf. No further action is required by the Urgent Action Network.
