Sami al-Laithi (m), teacher

Sami al-Laithi, who was returned to Egypt by the US authorities during the weekend of 1-2 October, is now known to have been hospitalised on arrival. He returned to his family on 7 October.

When he arrived at Cairo airport, he was reportedly taken immediately in an ambulance to Cairo's Qasr al-Aini hospital. It is not clear what kind of treatment he received there. He is now with his family in al-Gharbiyah Governorate.

No further action is requested. Many thanks to all who sent appeals.
