Dear Mayor,

In line with official commitments that human rights would improve in the run-up to the Beijing Olympics and with a view to promoting a positive human rights legacy for the Games, I urge you to ensure that the Tiananmen Mothers can conduct their peaceful and legitimate human rights activities without fear of harassment, arbitrary detention or other human rights violations. I also urge your administration to allow public debate about the events of 3-4 June 1989 as an important step towards securing justice for the victims of the crackdown in 1989 and their families.

Sincerely,

LEGACY OF THE BEIJING OLYMPICS ■ CHINA'S CHOICE
