Further information on EXTRA 89/95 (ASA 21/38/95, 4 August 1995) - Fear of Imminent Execution

INDONESIADjais Adi Prayitno, aged 60
Nyonya Sumiarsih (f), aged 54
Sugeng, aged 30

Amnesty International has received further details that Sugeng is now being kept in isolation and is being prepared for his execution. He is being held in prison on the island of Nusa Kambangan, East Java.

The organization fears that the execution of Sugeng, along with his father, Djais Adi Prayitno, and mother, Nyonya Sumiarsih, will take place imminently. Their last legal obstacle to execution - presidential clemency - has been rejected.

FURTHER RECOMMENDED ACTION: Please send telegrams/telexes/faxes/express/airmail letters in or in your own language:

- reiterating appeals to President Suharto to commute the death sentence of Djais Adi Prayitno, Nyonya Sumiarsih and Sugeng and all death sentences that come before him;
- continuing to express opposition to the death penalty as a violation of the right to life and the right not to be subjected to cruel, inhuman or degrading treatment.
