INDONESIA **Musliadi (m), aged 26, student activist**

The body of Musliadi, leader of the *Koalisi Aksi Gerakan Mahasiswa dan Pemuda Aceh Barat* (KAGEMPAR), West Aceh Student and Youth Action Coalition, was found on 4 December in Sibreh village, Suka Makmur Sub-district, Aceh Besar District. Although the circumstances of his death remain unclear, there are serious concerns that he may have been killed because of his activities against human rights violations and violence in Aceh.

Musliadi, an economics student, had been detained at the KAGEMPAR office in Banda Aceh on 30 November. In addition to heading KAGEMPAR, Musliadi was also a member of the pro-independence organization (*Sentral Informasi Referendum Aceh* (SIRA), Aceh Referendum Information Center).

Many thanks to all those who sent appeals. Amnesty International will be following up the case of Musliadi. If possible, please send a final round of appeals, to arrive as quickly as possible, in Bahasa Indonesia, English or your own language:

- expressing serious concern at the killing of Musliadi, who was detained at the KAGEMPAR office in Banda Aceh on 30 November;
- urging the authorities to carry out an effective and independent investigation into Musliadi's killing and urging that the findings of the investigation be made public;
- calling for those responsible for the killing of Musliadi be brought to justice in a process that meets international standards for fair trial;
- calling on the authorities to take concrete measures to ensure the security of human rights defenders in Aceh as guaranteed in the UN Declaration on the Right and Responsibility of Individuals, Groups and Organs of Society to Promote and Protect Universally Recognized Human Rights and Fundamental Freedoms. This should include inviting the UN Special Representative on Human Rights Defenders to visit Indonesia, including the province of Aceh.
