Title: Indonesia/East Timor: No end to the crisis for East Timorese refugees

Abstract: This document examines the situation for thousands of East Timorese

refugees still living in refugee camps in West Timor. The militia presence in East Timor and lack of guarantees for security continue to undermine prospects for voluntary repatriation in safety and dignity. There are also serious concerns that the refugees who remain in West Timor are at continued risk of threats, intimidation, harassment, extortion and in some cases unlawful killing, "disappearance" and sexual violence.

Title: 2000 UN Commission on Human Rights - defending the defenders

Abstract: The attached document describes the concerns which Amnesty International will raise at the forthcoming session of the UN Commission on Human Rights. Amnesty International is calling on the Commission this year to act on China, Federal Republic of Yugoslavia/Kosovo, Mexico, Saudi Arabia and Sierra Leone where human rights abuses are grave, persistent and/or widespread. It also draws the Commission's attention to the need to act on the thematic issues of child soldiers, the death penalty, the protection of human rights defenders, disappearances and the draft optional protocol to the Convention against Torture
