Amnesty International has received some further information regarding those detained in Adana on 24 August 1992.

On our action of 24 August 1992 we incorrectly gave the name of Solmaz Tartar as Solmaz Dartan and we have now learned that he is President of the Istanbul Özgür-Der (Association of Rights and Freedom). The organization has also learned the full names of two of the other detainees - Gülây Tan and Ya_ar Güzel. Ya_ar Güzel is the Secretary General of the Malatya Özgür-Der. The organization has also been informed that Ayten Çelik was also detained at the same time.

Where possible please incorporate these changes in your appeals. We apologize for any inconvenience caused by the previous inaccurate information.
