**Mahmoud Abu Rideh (m), aged 34, Palestinian refugee**

---

Mahmoud Abu Rideh was moved to hospital on 6 May, and is now receiving treatment as an inpatient. The UK authorities agreed to relax the control order to which he has been subject since March 2005 under the Prevention of Terrorism Act 2005, so that he could return to hospital. He was released on bail so that he could be hospitalised. His lawyer has asked us to pass on his thanks to the Urgent Action network.

**No further action is requested from the Urgent Action network. Many thanks to all who sent appeals.**
