KYRGYZSTAN Vasily Skvortsov (_____ in Russian), aged 21 and 29 other
individuals, names unknown

Amnesty International has learned with deep regret that Vasily Skvortsov was executed on 12 June 1995. The other 29 prisoners who had their petitions for clemency turned down by President Akayev at the same time as Vasily Skvortov are believed to have also been executed.

Thank you to all who sent appeals on this case. Letters expressing regret at the execution of Vasily Skvortsov and the other 29 prisoners may be sent to the authorities listed in the original action.
