MEDIA ADVISORY

AMNESTY INTERNATIONAL CLOSING PRESS CONFERENCE

IMPACT OF THE UN CONFERENCE ON HUMAN RIGHTS OF WOMEN

Amnesty International's Secretary General Pierre Sané will assess the outcome of the Fourth World Conference on Women from a human rights perspective and will highlight the human rights violations that women have continued to suffer during the course of the conference. Mr Sané will also review Amnesty International's first official visit to China.

Press conference details

4 pm Thursday 14 September

Beijing Recreation Centre (BRC) in a meeting room, off the main Caucus area, on the first (ground) floor.

Please note that the press conference date has been moved forward to Thursday because the BRC is closed on Friday. Individual interviews are available after the press conference.
