TUNISIA                      Moncef MARZOUKI, human rights activist

---

Moncef Marzouki was released on bail on 13 July 1994. Although welcoming his release, Amnesty International deplores the fact that he was detained as a prisoner of conscience in the first place. The organization remains concerned that he still awaits trial, and will be following developments closely.

No further action is required by the Urgent Action Network. Thanks to all who sent appeals.
