**CIHAM ALI
ERITREA**

TAKEN AT 15 AND NEVER SEEN AGAIN

Born in Los Angeles and raised in Eritrea, Ciham Ali wanted to be a fashion designer. But at 15, her ambitions were cut short when she was arrested trying to flee Eritrea – and never seen again. The authorities appear to have taken her in retaliation against her father's suspected involvement in a coup attempt on the government. Nine years on and no one knows where Ciham is being held. Meanwhile, the US government has been silent on their citizen's plight.

Tell the USA to speak out for Ciham.
