CONVICTED FOR PROTECTING THE ENVIRONMENT

Mother Nature Cambodia

📍 Cambodia

Mother Nature Cambodia has courageously defended the environment since 2013. But since 2016, the authorities have repeatedly targeted the group with arrests and prosecution.

In June 2024, six members of the group were sentenced to between six and eight years

in prison. One member fled Cambodia to continue their work, but the remaining five activists are enduring harsh prison conditions.

Demand that the five detained activists are immediately released and all convictions against Mother Nature Cambodia activists are quashed.
