CUBA Nestor RODRÍGUEZ LOBAINA
Radamés GARCÍA DE LA VEGA

Nestor Rodríguez Lobaina was rearrested on 6 July 1996 and warned not to continue with his civic activities. He is then believed to have been released (date unknown). On 25 July two students were stopped by state security agents as the two were leaving Nestor Rodríguez Lobaina's house. They were warned not to see him again if they did not want to risk having their studies stopped.

Amnesty International continues to monitor the situation of Nestor Rodríguez Lobaina and Radamés García de la Vega, but at present no further appeals by the Urgent Action Network are requested. Many thanks to all who worked on this case.
