11 July 2000

**PERUMiguel Angel Hinostroza Velarde**  
**Primitivo Guerra Infanzón**

---

Both the men named above have been found safe and well. They were feared to have "disappeared" after they were arrested on 29 June.

They were reportedly arrested during protests against alleged ballot-rigging in the recent presidential election, in which Alberto Fujimori was reelected for a third term in office.
