OCCUPIED TERRITORIES Munjid Mansur (m), aged 17 months

On 11 July, Shahir Mansur was released from administrative detention on humanitarian grounds. His lawyer was informed by Ronen Atzmon, the Israeli military prosecutor, that his release was on the condition that he will not be involved in any actions that could harm Israel in the future.

Shahir Mansur will now be able to travel to hospital in the United States with his son Munjid, who urgently needs a life-saving liver transplant operation.

No further action by the UA Network is requested. Many thanks to all who sent appeals.
