

RESEARCHER Amnesty International needs a Researcher based in

SOUTH ASIA London, to investigate human rights violations in
£15,400 pa several countries in South Asia, in particular:
Pakistan and Bangladesh.

You will document cases, prepare reports and advise on initiatives to be taken by Amnesty International particularly in relation to prisoners of conscience trial procedures, treatment of prisoners and the death penalty.

You must have proven research skills, the skill of impartiality, sound political judgement, the ability to work in a team and under pressure, together with specialist knowledge of the above countries. Good English is essential and relevant South Asia languages are highly desirable, as is a knowledge of relevant legal systems.

CLOSING DATE: Tuesday, April 2, 1991.
