

An aerial, high-angle view of a densely populated urban area that appears to be in a state of conflict or severe economic hardship. The scene is filled with smoke rising from various points, suggesting fires or explosions. Several military helicopters are visible in the sky. The ground is cluttered with buildings, many of which are damaged or partially destroyed. A prominent yellow banner is overlaid on the lower-left portion of the image, containing text in French. In the background, a sign for 'J&B' is visible, along with other commercial signs and structures. The overall atmosphere is one of chaos and suffering.
