The above-named villagers from Kocatepe village near Derik in the southeastern province of Mardin, who were detained on 27 June 1996 in a security force operation, were taken to court on 12 July. All were released, except for Ishak Ektiren (whose name did not appear on original UA). He was formally arrested. Amnesty International has no details of the detainees' treatment in detention.

No further action by the UA Network is requested. Thanks to all who sent appeals.
