ISRAEL/OCCUPIED TERRITORIES Anan Nabih Labadeh (m), aged 30

Anan Nabih Labadeh was released from administrative detention on 25 April. He is paralysed from the waist down and suffers from gastritis, bladder and skin problems, and is in constant need of medical care.

He had been arrested with his brother, Dr 'Abd al-Fatah Labadeh, on 11 March by the Israeli army. Dr 'Abd al-Fatah Labadeh was released after two days, but Anan Nabih Labadeh remained in administrative detention, without charge or trial.

Anan Nabih Labadeh was originally held at Huwara military camp near Nablus, where he was beaten and ill-treated, and had his wheelchair taken away. On 30 March, Anan Nabih Labadeh was transferred to Ramleh prison, where he was given a wheelchair and was held in the prison's hospital.

Many thanks to all who sent appeals. No further action is required from the UA Network at present.
