YEMENHafez Ibrahim (m), age unclear

Hafez Ibrahim was released on 30 October after the family of the man he was convicted of murdering agreed to pardon him in exchange for *diya* (compensation) of 25 million Yemeni riyals (approximately US\$126,217).

In August, the man's family had agreed to a stay of execution until after the Muslim fasting month of Ramadan, which ended in mid-October. This was followed by negotiations with the family of the victim, who reportedly agreed to pardon Hafez Ibrahim in exchange for *diya*. This agreement was finalized, and the *diya* is believed to have been paid.

No further action is requested from the UA network. Many thanks to all who sent appeals.
