AMNESTY INTERNATIONAL FAIR TRIAL MANUAL

“Every criminal trial tests the state’s commitment to justice and respect for human rights. Whatever the crime, if people are subjected to unfair trials, justice is not served for the accused, the victim of the crime or the public.”

Amnesty International Fair Trial Manual – Second Edition.

- A practical, comprehensive guide to international fair trial standards
- Covers rights at every stage from arrest to sentencing and appeal
- Includes interpretation of standards by human rights courts and bodies
- Dedicated chapters on children, death penalty cases and trials in armed conflict
- An essential reference for human rights monitors, judges, lawyers, trial observers, government officials and legislators, human rights educators and students

Publication date: April 2014. Cover price: £30.
A4 paperback, perfect binding, 280 pages.
ISBN: 978-0-86210-484-9

“When I found the *Fair Trial Manual*, I felt like I had struck gold. It explains the multitude of legal standards in a comprehensive, straightforward and accessible way.”

Dr Vivienne O'Connor, US Institute of Peace

“The *Manual* has proved to be a very valuable source to have for checking issues ‘on the go’ within a short period of time, and as a reference in practical situations including trial observation.”

Mervat Rishmawi, human rights consultant
