

URGENT ACTION

TOFFIQ AL-BIHANI RELEASED FROM GUANTÁNAMO

On 6 January 2025 the United States transferred 11 Yemeni men out of the Guantanamo Bay military detention facility and resettled them in Oman. One of the individuals who was transferred out of the facility on 6 January was Toffiq al-Bihani, who was detained in 2003 and had been cleared for transfer out of the facility since 2010. The prison has been open for more than 20 years and over 700 Muslim men and boys have passed through its doors. Many were tortured, all of them detained arbitrarily, and none have faced a fair trial. Three men remain in the facility who have been cleared for release, and President Biden must ensure they are transferred to safe locations before his presidential term ends on 20 January 2025.

NO FURTHER ACTION IS REQUESTED. MANY THANKS TO ALL WHO SENT APPEALS.

Thank you for your global mobilization, many sections took part in the campaign for Toffiq's freedom. We hope to connect with him in the coming months to share with him the actions that took place on his behalf.
